Azurite Pendant By Corbett Lighting

Description

Reimagining a traditional globe pendant, the Azurite Pendant pairs an ethereal cloud glass shade with jewelry-like suspension. The botanically shaped shade is marked by vertical ribs and a cross-hatched pattern, adding textural interest to the translucent glass. Vintage Patina Brass details, including a sphere-and-cone finial and two decorative twisted chains, further enhance this elevated design.

Shown in vintage polished brass / cloud

Specifications
