Angelique Pendant

By Corbett Lighting

Description

Dazzling like a faceted gem, the Angelique Pendant brings jewelry to the modern home. The champagne seeded glass shade features sharp facets that taper to a point at either end. When illuminated, the distinctive hand-blown bubbles within the glass become beautifully pronounced, creating a sense of sparkle. Hung from a vintage patina brass chain and cap, this pendant is perfect for a kitchen, or even powder room.

Shown in vintage polished brass / champagne
