Rubellite Chandelier

By Corbett Lighting

Description

Dial up the drama with the elegant layered piastra glass of the Rubellite Chandelier. Overlapping glass shells in clear, green, bronze, and light bronze form an earthy, organic bowl shade that is equally fluid and soft. Textural ripples meet machined metal pins to form a contemporary sense of structure. Ready for an entry or dining room, the Rubellite draws inspiration from earth, sea, and sky to create a maximalist centerpiece.

Shown in vintage gold leaf / piastra
