Betel Nut Table Lamp

By Currey & Company

Description

Masterfully carved from solid mango wood into a sleek oblong silhouette, the Betel Nut Portable Table Lamp features an intricate graphic pattern that creates the striking illusion of scattered white lozenges. The recessed channels between are meticulously sanded to expose the warm, organic timber underneath. This interplay of carved textures imparts a sophisticated rhythm and a profoundly natural aesthetic to the design. Includes turn knob on socket.

Shown in black / off white
