Mallow Table Lamp

By Currey & Company

Description

Featuring a tall, slender metal stem anchored by a disc base, the Mallow Table Lamp incorporates a vertical array of fully blossomed clear glass flowers. Inspired by the natural phenomenon of the Skeleton Flower (Diphylleia grayi) - whose petals turn translucent when drenched by rainthe glass blooms wrap around the minimal stem to combine botanical geometry with modern lighting design. The fixture is crowned by a clean drum shade, secured at the apex with a faceted optic crystal finial.
