Navigation Portable Table Lamp

By Currey & Company

DAMP

Description

Featuring a stacked geometric form, the Navigation Portable Table Lamp pairs a marble disc and solid marble plinth with an illuminated glass globe. The disc is set at a subtle angle, creating a distinctive modern profile that functions as an eye-catching decorative accent. Built with a rechargeable bulb and a side-mounted touch switch on the base, this portable lamp includes a charging base and a 6-foot black USB-A power cord. Natural shifts in color and veining occur across production, highlighting the authentic quality of the stone.

Shown in white / brown / opaque white
