Catania Color-Select Wall Sconce

By CWI Lighting

Description

This breathtaking Catania Sleek Integrated LED Wall Light is a beautiful piece from our Catania Collection. Designed for both form and function, this wall-mounted fixture features a minimalist profile. The integrated LED provides sustainable and brilliant illumination, making it an ideal choice for modern interiors. Whether used in a hallway, bedroom, or living room, this chic wall sconce blends contemporary aesthetics with energy-efficient lighting. Features color-select technology which allows user to select between 2700K, 3000K, 3500K, 4000K, and 5000K color temperature options.
