Lava Color-Select Wall Sconce

By CWI Lighting

Description

Illuminate your space with understated luxury using the CWI Lighting Lava Wall Light. This fixture blends sleek framing with handcrafted textured glass, creating a mesmerizing interplay of light and shadow. The integrated LED provides energy-efficient, long-lasting brightness, perfect for hallways, bedrooms, or living areas. Designed for modern sophistication, its minimalist silhouette and artisanal glass make it a standout addition to any interior. Whether used as a statement piece or subtle accent lighting, the Lava Wall Light effortlessly elevates your homes ambiance. Features color select technology which allows user to select between 2700K, 3000K, 3500K, 4000K and 5000K color temperature options.
