Malibu Outdoor Wall Sconce By CWI Lighting

Description

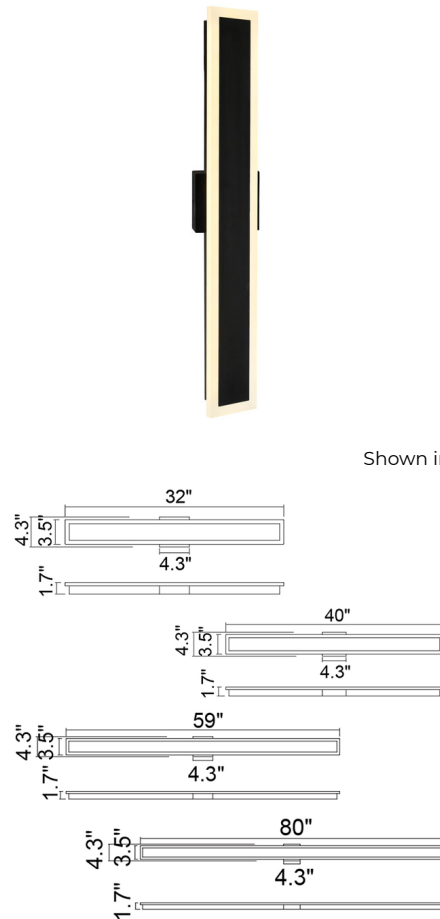

From our contemporary Malibu Collection, this breathtaking linear wall light makes a powerful style statement while providing exceptional functionality. Its extended design offers substantial illumination across large surface areas, making it ideal for garage fronts, expansive siding, and broad entryways. The integrated LED technology ensures energy-efficient, maintenance-free operation with a clean and modern light output. Finished in durable black that complements modern and traditional homes alike, this sophisticated piece combines stunning visual details with robust outdoor performance to elevate your home's exterior decor.
