Petra Color-Select Bathroom Vanity Light

By CWI Lighting

Description

Elevate your interior sanctuary with the Petra Integrated LED Vanity Light, a breathtaking marriage of warm, lustrous metal and artisanal brilliance. Designed exclusively for indoor use, this luxury vanity light transforms functional bathroom lighting into a high-end sculptural experience. The fixture features a radiant finish that exudes timeless elegance, perfectly framing the extraordinary handcrafted glass. This thick-cut glass is meticulously textured to resemble natural ice formations, complete with delicate internal seed details that catch and refract the light for a shimmering, multi-dimensional glow. Whether mounted vertically or horizontally, the Petra vanity light creates a sophisticated ambiance that highlights the premium materials of your vanity or dressing area. Equipped with 5 CCT selectable technology, this fixture offers unparalleled personalization. Easily adjust the integrated LED light between five distinct color temperatures (2700K, 3000K, 3500K, 4000K, 5000K), ensuring your lighting perfectly complements your skin tone and interior decor.
