Curva 22 inch Color-Select Chandelier

By CWI Lighting

Description

Sculptural and refined, the Curva Chandelier makes a striking statement through its graceful arched silhouette. The streamlined frame creates a bold architectural presence, while elongated diffusers of handcrafted glass introduce texture, depth, and artisanal character at each end. Featuring integrated LED with five selectable CCT options (2700K, 3000K, 3500K, 4000K and 5000K), the Curva chandelier allows the illumination to be tailored to suit any setting from a warm, ambient light to a brighter, more contemporary tone. Designed for elevated interiors, this chandelier balances modern form with thoughtful craftsmanship, making it ideal for dining areas, entryways, or intimate living spaces. Dimmer switch on frame.
