Eternity Pendant

By CWI Lighting

Description

The Eternity Pendant proves glamour comes in petite packages. Its chrome shade - featuring a precision laser-cut pattern and interior crystal beads - casts a kaleidoscope of warm light perfect for open-concept kitchens. Whether clustered over an island or solo above a breakfast nook, this mini chandelier blends modern refinement with playful sparkle. The textured shade softens light while the dangling beads add movement, creating a focal point that's equal parts sophisticated and inviting.
