Arza Chandelier

By CWI Lighting

Description

Where Celestial Meets Earthly - The Arza Chandelier is a study in balanced contrasts. Its planetary ring silhouette in weathered brown iron feels both cosmic and hand-forged like a snapshot of Saturn's rings reinterpreted for the modern farmhouse. Unfinished iron texture develops a natural patina over time, telling your homes story. Perfect For: Rustic-chic dining rooms, lodge-style living areas, or loft spaces needing organic warmth. Install as a standalone statement piece that needs no accompaniment.
