# Wilma Bathroom Vanity Light

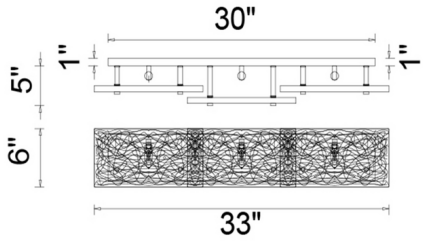

By CWI Lighting

## Description

The Wilma Vanity Light offers a modern and refined design, ideal for contemporary bathroom or vanity spaces. Featuring a clean, streamlined silhouette, this fixture is accented by uniquely textured clear and smoke glass panels that are seamlessly pinned together. These panels subtly conceal G9 bulbs (not included), softening the light and creating a warm, inviting glow. The rugged texture of the glass adds visual interest while maintaining an elegant balance, making this sconce a striking yet sophisticated addition to any room.
