Arley Linear Chandelier

By CWI Lighting

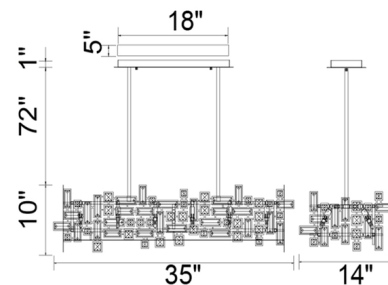

Description

The Arley Linear Chandelier redefines transitional design with its geometric crystal panels and precision chrome frame. More than a light source, its a kinetic art piece that evolves with your day, from sunlit sparkle to evening drama. Crafted for Impact: Architect-Grade Chrome Triple-plated for a museum-quality finish that resists tarnishing, even in coastal homes. Whether illuminating a poker table under a city skyline or a farmhouse table with mountain views, this chandelier meets the moment.
