Alyson Pendant

By CWI Lighting

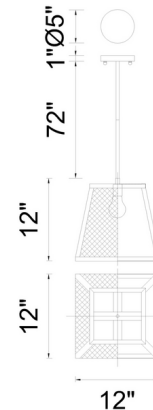

Description

Capture a nostalgic, industrial vibe with the Alyson Pendant. Designed with a glass and metal shade, this pendant delivers a rustic aesthetic perfect for vintage-inspired spaces. With a wide silhouette and clean lines, its a versatile fixture ideal for kitchen islands, bars, or entryways. The black-finished metal hardware pairs beautifully with clear glass, allowing the glow of a single E26 bulb to shine through. LED compatible and full of character, this mini pendant blends classic charm with modern practicality.
