Glow Chandelier

By CWI Lighting

Description

This Sputnik-style chandelier blends mid-century modern flair with warm, inviting ambiance, featuring a bold black metal frame and glowing amber glass cylinder shades. Perfect for creating a retro-futuristic statement in dining rooms, kitchens, or entryways, its radiating design evokes the iconic atomic era while providing even, golden illumination. With easy installation and compatibility with standard E26 bulbs (not included), it's a striking yet functional centerpiece for vintage-inspired or industrial interiors.
