Drift Chandelier

By CWI Lighting

Description

The Drift Chandelier makes a dramatic statement with its unique geometric shape that balances bold design with soft elegance. This globular fixture features an open metal frame that reveals exposed flame-tip candelabra bulbs, creating a captivating display of light and shadow. This chandelier commands attention without overwhelming your space, making it perfect for elevating dining rooms, living areas, or entryways to new levels of sophistication. The black finish adds modern contrast while the overall design blends industrial edge with artistic flair, creating a focal point that transforms any room into a showcase of contemporary style and warmth.
