# Mitchell Hurricane Candle Holder

By Eichholtz

## Description

A striking example of sculptural elegance, the Mitchell Hurricane adds warmth wherever it's displayed. Featuring a sweeping spiral metal framework with a vintage brass finish, diagonal bands twist upward in a fluid, architectural rhythm. When a candle is placed inside, its flame casts a warming glow across the bronze-colored metalwork. Place this Eichholtz hurricane in the corner of your living room or on your outdoor patio for endless ambiance.

Shown in vintage brass
