# Dameron Hurricane Candle Holder

By Eichholtz

## Description

Meet the Dameron Hurricane, a timeless expression of traditional craftsmanship reimagined for today. Hand-cast from solid brass with a rich vintage brass finish, its sculptural base reinterprets classic cane webbing in an oversized, architectural pattern. Encased within sits a tall, clear glass cylinder accented by a matching brass rim, the design beautifully showcases pillar candles. Candle not included.

Shown in vintage brass / clear
