Grandeur Wall Sconce

By Eichholtz

Description

Inspired by nature and rooted in luxury design, the Eichholtz Grandeur Wall Sconce is full of character. Leaf motifs have been a recurring thread throughout the history of decorative arts, reinterpreted in an Art Nouveau aesthetic for contemporary interiors. Featuring hand-sculpted champagne-coloured recycled glass, this lavish wall lamp radiates a rich amber warmth in a grand entrance hall, on a dramatic staircase wall, or when flanking an oversized mirror.
