Sassari Wine Rack

By Eichholtz

Description

Elevate your wine storage from purely functional to utterly covetable with the Sassari Wine Rack. Hand-cast and finished in a warm vintage brass finish, the intricate lattice framework is crafted to mimic the natural knots and joints of bamboo. The classic diamond-grid structure holds your bottles securely, keeping corks moist and wines at their best. Whether displayed on a sideboard, countertop, or drinks cabinet, the Eichholtz Sassari turns your wine collection into a statement worth showing off.
