Cambria Color-Select Pendant By Et2

Description

The Cambria Pendant transforms gypsum plaster into an organic study of light and shadow. A softly rounded shade is punched with oval openings, allowing light to filter through with a sculptural glow. Crafted in a matte white oyster hue with a matching white cord, the plaster surface may be painted to complement the surrounding space. Perfect for a kitchen or dining room, the Cambria brings blends texture modern artistry. Selectable LED technology allows the light temperature to be set at 2700K, 3000K, 3500K, 4000K, or 5000K at installation.

Specifications

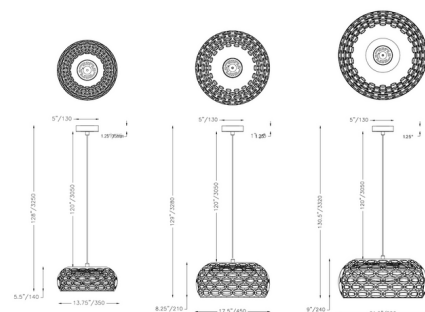

COLOR N/A
BODY FINISH Oyster
