Brink Outdoor Color-Select Step Light

By Et2

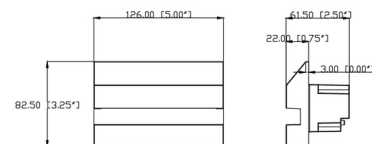

Description

The Brink Outdoor Step Light brings quiet architectural drama to the contemporary home. A softly illuminated recessed channel conceals an LED, allowing light to wash down across the surface with a soft glow. Both durable, and refined, the Brink creates a cohesive exterior lighting story for pathways and stairs. LED color selectable options include 2700K, 3000K, and 4000K.

Shown in white
