Rabbit Tufted Rug

By Ferm Living

Description

The Rabbit Tufted Rug is hand-tufted in the shape of a sleeping rabbit, with contrasting pile heights and tonal colors giving the form depth and definition. Soft underfoot or hung on the wall, it works equally well as a cozy floor covering or a considered decorative piece for a child's room. Please note that this rug does not include a wall mounting solution. We recommend using two thin nails through the top corners, taking your wall type into account and seeking professional advice if needed.
