Hornbaek Portable Lamp

By Gubi

Description

The Hornbaek Portable Lamp translates the serene coastal atmosphere of Denmark's northern coastline into a sculptural, portable light. The tapered canvas shade and a white ceramic base recalls the look of a sailboat on the ocean, while Poppy Yellow piping references golden summer sunsets and coastal flowers in bloom. Originally created for the seaside CORI Hornbaek Hotel, this lamp can now be taken anywhere thanks to its rechargeable battery. A brass ring provides a handle for carrying the lamp or suspending it from a wall hook. A three-level dimmer switch allows the brightness to be set to 100% / 50% / 10% to create the perfect ambiance. Includes contact charging base with USB-C cord.
