High Falls Chandelier

By Hudson Valley Lighting

Description

The High Falls chandelier embodies soft grandeur with cascading layers of cotton tassels that exude abundance and texture. Each tassel layer features a stepped bottom edge, creating a staggered effect across the tiers that adds volume. The Aged Brass chain and fittings lend a note of vintage charm to balance the natural organic beauty of this centerpiece. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
