Haines Falls Wall Sconce

By Hudson Valley Lighting

Description

An airy material story and decorative detailing elevate the drum silhouettes of the Haines Falls family. Woven from sheer raffia fabric, each shade reveals the candelabra within, lending the family a sense of heritage. Perforated Patina Gold Leaf trim frames the top and bottom of each shade, enhancing its vintage appeal. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
