Tusten Wall Sconce

By Hudson Valley Lighting

Description

A luminous onyx disc is suspended by a single clasp in the Tusten sconce. Behind the shade, a perforated metal shield in Patina Brass conceals the candelabra while allowing light to wash across the wall. With an atmospheric glow, the natural stone creates a luxurious focal point. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / onyx
