Olivera Chandelier

By Hudson Valley Lighting

Description

Olivera reimagines a classic bowl chandelier using the warmth and texture of natural wood beads. The individually strung beads form a richly layered shade that filters light through the voluminous shape. Featuring large circular loops, the Patina Gold Leaf chains match the color of the beads, lending a sense of tailored cohesion to this coastal chandelier. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
