## Cortlandt Table Lamp

By Hudson Valley Lighting

### Description

Cortlandt is a voluminous table lamp drawn from Victorian silhouettes. Its flowing gourd-shaped ceramic base is glazed in a soft, muted Clary Sage hue. The classical appeal is further accentuated by an ornamental metal base finished in Aged Brass and coordinating fittings at the neck. A finely gathered cream linen shade rounds out this stylish lamp. Full range dimmer on switch. \* Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in aged brass / ceramic clary sage / cream

### Specifications
