Solvay Table Lamp

By Hudson Valley Lighting

Description

Nodding to neoclassical forms, the Solvay table lamp pairs a ceramic urn silhouette with deep vertical fluting. The crisp ridges and valleys highlight the dimensionality of the Shell Crackle glaze while accentuating the reflection of light across the surface. An off-white linen tapered drum shade and Aged Brass fittings add a fresh note to this accent lamp. Full range dimmer on switch. *Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
