Airvault Smart Ceiling Fan with Light

By Hunter Fan

Description

Bring smart comfort to every season with the Airvault Smart Ceiling Fan with Light. ENERGY STAR certified and powered by an efficient 6-speed EcoWhisper DC motor, it delivers quiet performance while helping reduce energy costs. Built-in HunterSMART technology lets you control your fan with your smartphone or compatible smart home platforms, including Apple Home, Google Home, and Amazon Alexa. The integrated LED light with a durable DuraLight lens provides bright, reliable illumination, while the damp-rated design makes AirVault a great choice for both indoor spaces and covered outdoor areas. Use the included wall control to adjust the fan speed and dim the light.
