Cassius Small Ceiling Fan

By Hunter Fan

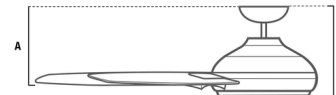

Description

The Cassius Small Ceiling Fan brings bold, modern-industrial design to compact spaces, indoors or out. Damp-rated to handle humidity, it's a great fit for covered patios, porches, or small indoor areas like guest rooms, laundry rooms, and breakfast nooks. Its sleek lines and exposed hardware lend a rugged yet refined look that works effortlessly in farmhouse or urban settings. Small in size, big on style and performance. Reversible, 3-speed WhisperWind motor delivers ultra-powerful air movement with whisper-quiet performance so you get the cooling power you want without the noise you don't. Includes pull chains for quick and easy on/off and speed adjustments.
