Sierra Table Lamp

By Jamie Young Company

Description

Bringing gleaming perfection and artistic depth into residential interiors, this larger-scale ceramic table lamp features a round, hand-painted base with distinct vertical patterns. Because of the layered reactive glaze technique and careful artisan guidance, no two pieces are identical, offering a truly custom feel. Complete with a convenient 3-way switch on the socket, it casts a warm, inviting glow that effortlessly enhances living rooms, entryways, and master suites.
