Yukon Table Lamp

By Jamie Young Company

Description

Bringing artisanal charm and organic depth into residential spaces, this contemporary table lamp showcases a ceramic base adorned with three elemental colors layered by hand. Because of the reactive glazing technique, no two lamps are identical, ensuring a truly custom look. Complete with an easy-to-reach 3-way switch on the socket, it casts a warm, inviting glow that enhances bedside tables and cozy living room nooks.

Shown in oil rubbed bronze/black/grey/white / off white linen
