Finley Nightstand

By Jamie Young Company

Description

Channeling raw brutalist influences into a sophisticated form, the Finley Nightstand offers sleek, architectural bedside storage for distinguished decors. It features a finely fluted drawer with sculpted hardware that glides open silently on integrated undermount soft-close runners, paired with a robust frame for lasting structural integrity. A functional open shelf provides an elevated surface for immediate access to personal items, making it a powerful and refined statement piece.

Shown in antique brass / pale oak
