Chant Portable Table Lamp

By Lee Broom

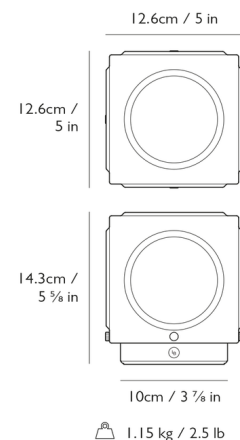

Description

The Chant Portable Table Lamp is inspired by the pressed glass bricks often used in mid-century places of worship as a substitute for stained glass. Chant's square silhouette is accented by a circular indentation on each face for a subtle decorative touch. The lamp is powered by a rechargeable battery, allowing it to be placed wherever it is needed to create the perfect ambiance. A touch dimmer button sets the lamp's brightness to 100/50/25/10%. Includes USB-C charging cord; a 5V wall plug for charging is required but not included.

Shown in brushed silver / clear
