Mythos Wall Sconce

By Lee Broom

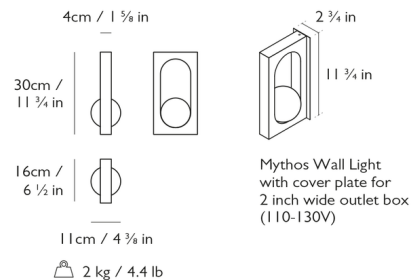

Description

The Mythos Wall Sconce is an elegant fixture with a statuesque presence that will elevate any interior. The rectangular brass frame gently cradles an opal glass globe which provides a soft, diffused glow. Both linear and curvaceous, Mythos offers a new look as it is viewed from different angles. Note: This fixture does not mount to a standard 4 inch junction box and requires a 2 inch wide outlet junction box. A cover plate for a 2 inch outlet box is included.
