Camerino Rectangular Multi Light Chandelier

By Lib & Co

Description

The Camerino Rectangular Multi Light Chandelier brings a striking elegance to your interior space. Cascading hand blown transparent glass globes features graceful, organic contours, creating a sculptural silhouette that makes a bold statement. Within each globe, a textured crystalline element gently diffuses the light, casting a delicate sparkle and luminous glow throughout the space. The result is a captivating interplay of light and texture that adds depth, sophistication, and timeless beauty to your room. Adjust each pendant to create your own unique look. Note: Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
