Castellana Tier Chandelier

By Lib & Co

Description

The Castellana Tiered Chandelier makes a striking statement with its bold geometric design and captivating presence. Exquisite hand pulled crystal elements are paired with mirrored finish steel, creating a sophisticated interplay of texture and reflection. As light filters through the crystals, it casts a warm, atmospheric glow and enchanting shadows throughout the space, adding a touch of modern glamour and timeless elegance to any interior.Note: Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
