Fiori Vertical Chandelier

By Lib & Co

Description

The Fiori Vertical Chandelier brings sculptural elegance and floral beauty to your interior space. A graceful network of twisting golden stems is adorned with exquisitely handcrafted glass blossoms, each petal delicately shaped to capture and diffuse the light. The result is a radiant interplay of light and texture that creates a captivating focal point while infusing your room with warmth and timeless sophistication. Note: Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
