Lipari Color-Select Chandelier

By Lib & Co

Description

The Lipari Chandelier brings an air of delicate elegance to your interior space. Its sculptural, organic silhouette is shaped into an irregular, lace like ring, with softly melted and intricately carved contours. At its center, a bowl shaped form of handcrafted glass creates a gentle inward curve, capturing and reflecting light with subtle brilliance. The result is a beautifully diffused glow that adds warmth, texture, and understated sophistication to your room. Notes: Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K/5000K. Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.

Specifications
