# Pisa Grand Chandelier

By Lib & Co

## Description

The Pisa Grand Chandelier brings a sense of dynamic movement and organic elegance to your interior space. Inspired by the swirling motion of wind through fallen leaves, handcrafted Piastra glass discs in rich cognac and clear tones gracefully twist around a central spiral. Integrated LEDs illuminate each disc with a soft, radiant glow, creating a captivating interplay of light, texture, and form that seamlessly blends artistic design with functional illumination.Note: Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
