Description

The Pragma Chandelier brings the beauty of a blooming flower into your interior space. Each blade is carefully hand bent to form a precise V shaped channel, paired with crystal rods to create this striking Sputnik inspired design. When illuminated, it casts a warm, captivating interplay of light and shadow throughout the room.Note: Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
