Sorano Linear Chandelier

By Lib & Co

Description

The Sorano Chandelier makes a striking sculptural statement with its dynamic arrangement of twisting metal arms. Along these sweeping curves, irregular hand blown glass shades feature delicate gold and silver leaf accents, adding depth and artisanal character. When illuminated, the chandelier casts a warm, ambient glow and soft, captivating shadows throughout the space. **Note:** Fixtures weighing 35 lbs. or more must be supported and installed independently of the ceiling outlet (junction) box and require additional support in the ceiling where the fixture is being installed.
