PH 3/3 Pendant Centenary Edition

By Louis Poulsen

Description

The PH 3/3 Pendant Centenary Edition will add a clean decorative touch and emit comfortable diffused light to your interior space. Originally created in the 1920s, Poul Henningsen's iconic three shade system was designed to reduce uncomfortable glare while maximizing the output and quality of light. The Centenary Edition celebrates 100 years of the PH lighting system with an Amber upper and Opal lower shades and an Aged Brass finish. The pendant provides both ambient upward lighting and glare-free downward directed light, suitable for any space.
