The Queen Pendant

By mammalampa

Description

The Queen Pendant offers an eye-catching twist on the classic dome pendant with its rich texture and contrasting materials. The exterior of the dome shade is made from patinated steel for a rough texture, while the interior of the shade is covered with genuine 24K gold leaf for a warm, luxurious look. Both functional and sculptural, the Queen is a natural fit for commercial and hospitality settings as well as the home.

Shown in oxidized steel / 24k gold
