The Sisters Floor Lamp

By mammalampa

Description

The Sisters Floor Lamp is inspired by the visual language of painting and will add an artistic touch to any interior. The slightly tapered canvas drum shade is handpainted in a variety of colorways, both vibrant and neutral, to suit any mood. As the shade is illuminated from within, the brush strokes and subtle variations of layered color are revealed, adding depth and visual interest to the design. Because of their handpainted nature, no two lampshades are exactly alike. On/off switch located on cord.
