Petals LED Ceiling Fan

By Maxim Lighting

Description

Inspired by the soft form of flower petals, the Petals LED Ceiling Fan brings sculptural movement and graceful airflow to modern interiors. Six ABS blades extend from a center housing, creating a balanced silhouette. A DC motor delivers efficient performance, while the included light kit and cover plate allow the design to be installed with or without illumination. Includes a wall control (FSWT88326WT).

Shown in satin nickel / white
